8.	Secretary, Department of Science & Technology	Member
9.	Representative of NSCS	Member
10.	Secretary, MeitY	Member Convener

Terms of Reference of AIGEG

The Terms of Reference of AIGEG shall include the following:

- Coordinate policy across ministries, departments and sectoral regulators, and oversee cross-sectoral governance issues.
- Review existing mechanisms and issue guidelines to ensure that firms are held accountable for compliance with local laws.
- Oversee national initiatives on AI governance across the public and private sector.
- Promote responsible AI innovation and beneficial deployment of AI in key sectors.
- Study the emerging risks of AI, regulatory gaps, and need for legal amendments.
- Develop and oversee India's position and strategy on AI governance.
- Work with industry and other stakeholders to develop a roadmap for AI deployment over the next decade, including assessment of job profiles affected, geographical concentration of impacts, and extent of automation and augmentation.
- Classify AI use cases into categories such as "deploy", "pilot" and "defer" based on readiness in terms of data availability, skills, legal frameworks and capacity for labour adjustment.
- Assess the labour market impacts of AI adoption in advance, and develop mitigation strategies and transition plans that account for informality, skill diversity and regional variations.

This issues with the approval of the Hon`ble Minister, Electronics & IT.
